

Year 2 HOME LEARNING due in 11th July

| Be Creative | Be Outside | Be Curious |
|--|---|--|
| Recipe and Cooking Cook your favourite family recipe, weighing your ingredients carefully. Take a photo of your creation to share with your class. You could share the recipe too! | Can you create a habitat for a minibeast? Create the perfect habitat for a minibeast to live in. Research the conditions that they like. | Fact finder Find out 5 fascinating facts about a famous adventurer to share with your class. |
| Learn and perform Learn and perform a poem. | Grow your own plant! Can you grow your own plant from a seed? What conditions does your plant need to grow? Take regular pictures to see how it grows. You could keep a diary. | Can you make a ship out of recycled materials? Use recycled materials to make a boat. Can your boat float on water? Test it out in the sink or bath! Take a picture or create a video. |
| Creative writing task Can you use what you have learnt during English lessons this year to complete a piece of creative writing? You could write a story. | Go for a walk and look for trees or plants growing! Can you identify the tree or plant? Who can find the largest plant or tree? You could take photos of your finds. | Maths Madness Log in to Numbots or Times Tables Rock Stars to practice your number skills or times tables. |

Home learning tasks

Home learning tasks are optional. You can do as many tasks as you would like. When you have completed a task, please bring it into school to share with your teachers and peers. We will have a learning walk at the end of each term to view your wonderful work.
