

ANNIE'S CRAFTING HIVE

Year 1 & 2

My crafting projects are both enjoyable and fulfilling, helping children explore their creativity. We use a variety of materials from air drying clay to buttons. Most projects have an element of painting or decorating, which are excellent to enhance those fine motor skills. Crafting is well known for allowing them to switch off and get absorbed into a mindful place.

Projects will generally have a seasonal theme that supports wellbeing, kindness and positivity.

Potential Autumn Term 1 Projects

Every term includes a personalised decoration (see above cauldron)

Thursday 'AFTER SCHOOL' Club - £130 (for 10 sessions)

'NEW' Friday 'LUNCH TIME' Club - £65 (for 10 sessions)
