

# Spring Term Year 2 HOME LEARNING

Be Creative	Be Outside	Be Curious
<b>3D Map</b>  Using different materials and textures create a 3D map/plan of your favourite place. What materials could you use for the path, hills and other details?	<b>Where in the World?</b>  Bring a picture into school of a famous building you have explored. It could be in England or another country. We will share it with our friends.	<b>London Landmarks</b>  Take a trip or research some London Landmarks that are related to the Great Fire of London. Can you discover Pudding Lane or Monument? What interesting event happened here?
<b>London Landmarks</b>  Make a 3D model of a house in London from 1666. Which materials will you use? 	<b>Cloud Spotting</b>  Go outside on different days and sketch some clouds. What shapes, sizes and colours do they have? How are they formed? Do they have different names? How could you identify the weather by looking at the sky?	<b>What is Spring?</b>  Create 'something' to depict what Spring means to you. E.g. a drawing, collage, a sculpture, a poem or a short descriptive paragraph.
<b>Report writing task.</b>  <b>Writing: Write a newspaper report.</b> Write a newspaper report about something new that has been discovered. This could be imaginary or real!	<b>Maths Madness</b>  Have a go at some of the 5-7 maths games. <a href="https://www.topmarks.co.uk/maths-games/5-7-years/counting">https://www.topmarks.co.uk/maths-games/5-7-years/counting</a>	<b>History Research</b>  <b>With help from an adult</b> , research using the internet, either Samuel Pepys or King Charles II. Create a fact file. How will you present this?

## Home learning tasks

Reading should ideally happen at home every day. The home learning tasks in the grid are optional. You can do as many tasks as you would like. When you have completed a task, please bring it into school to share with your teachers and peers. We will have a learning walk at the end of each term to view your wonderful work.
